

## WHO ATTENDED?

The rector/senior clergy had to attend (all associates, assistants and deacons were strongly encouraged as well) and a core group of laity that could get off work and commit to all three training sessions. In our opinion, the more people you can bring the better. However, we believe it is critical for the clergy and laity to come and learn together. Those attending paid their own expenses for lodging, transportation and meals.

### Participating Churches

The Rev. Ann Alley	St. Christopher's Episcopal Church	Champaign, IL
